

Mulhern, Dawn M. and Rachael M. Byrd

In Preparation, Basketmaker II population history, affinity, and health status. In Ann L.W. Stodder and Dawn M. Mulhern, eds. *Readings in Southwestern Bioarchaeology*. University of Florida Press.

Byrd, Rachael M.

2018 Biodistance evidence of diaspora from the Kayenta region. *KIVA: Journal of Southwest Anthropology and History*. doi:10.1080/00231940.2018.1517201

Byrd, Rachael M.

2016 Rest in Place: Understanding traumatic death along the roadsides of the Southwestern United States. *Arizona Anthropologist*. 26:53–75.

Byrd, Rachael M.

2015 Osteological Analysis of Human Remains for AZ Q:15:1 [ASM], Slade Ruin, Apache County, Arizona. Arizona State Museum.

Watson, James T. and Rachael M. Byrd.

2015 A Bioarchaeological Perspective on Change and Continuity in an Early Agricultural Community. In *Implements of Change: Tools, Subsistence, and the Built Environment of Las Capas, an Early Agricultural Irrigation Community in Southern Arizona*, edited by J. M. Vint, pp. 377-388. Anthropological Papers No. 51. Archaeology Southwest, Tucson.

Byrd, Rachael M.

2014 Phenotypic variation of transitional forager-farmers in the Sonoran Desert. *American Journal of Physical Anthropology*. 155:579–590.

Byrd, Rachael, James T. Watson, and John McClelland
2013 Osteological Analysis of Human remains from AZ AA:12:111 [ASM], Las Capas, Pima County, Arizona, LCA 2008-329. Arizona State Museum.

Byrd, Rachael, John McClelland, and James T. Watson.
2013 Osteological Analysis of Human Remains from NV-Wa-177, NV-Wa-NL-2, NV-Wa-NL-4, NV-Wa-177-5. Pyramid Lake, Washoe County, Nevada. Arizona State Museum.

Byrd, Rachael and Todd Pietzel
2013 Inadvertent Discovery Report, Arizona State Repatriation, State Case 2012-061. Arizona State Museum.

Byrd, Rachael M.
2012 Architecture and the Afterlife: A Spatial Analysis of Mortuary Behavior at University Indian Ruin. *Journal of Arizona Archaeology*. 2:101–111.

Byrd, Rachael and Todd Pietzel
2012 Inadvertent Discovery Report, Arizona State Repatriation, State Case 2010-008. Arizona State Museum.

Byrd, Rachael and Todd Pietzel
2011 Report of an Inadvertent Discovery by Stephen Bomar, Arizona State Repatriation, State Case 2011-009. Arizona State Museum.

HIGHLIGHTED CONFERENCE PRESENTATIONS & POSTERS

Byrd, Rachael, James T. Watson, and Dawn Mulhern
January 31, 2020 The Arizona Biological Affiliation Database (AzBAD): Connecting Unprovenienced Archaeological Skeletal Remains to Present Day Descendant Communities. 17th Biennial Conference of the Southwest Symposium, Tempe, AZ. Invited podium presentation.

Byrd, Rachael M. (session chair)
April 13, 2019 Session title: Bioarchaeology: Cross-cultural Comparative Perspectives. Society for American Archaeology (SAA), Albuquerque, NM. Submitted podium presentation.

Byrd, Rachael M. (session chair)
April 14, 2016 Deconstructing human cranial phenotypes to clarify individual prehistoric population histories. American Association of Physical Anthropologists (AAPA) 85th annual conference. Atlanta, GA. Submitted poster presentation.

Byrd, Rachael M. and Alice Garcia

April 18, 2015 Illuminating identity using mortuary features at Slade Ruin (AZ Q:15:1 [ASM]), a Pueblo III site in east-central Arizona. Society for American Archaeology (SAA) 80th annual meeting. San Francisco, CA. Submitted poster presentation.

Byrd, Rachael M.

March 26, 2015 Evolving to eat: Food composition and human mandible morphology. American Association of Physical Anthropology (AAPA) 84th annual meeting. St. Louis, MO. Submitted poster presentation.

Byrd, Rachael M.

November 21, 2014 Phenotypic variation and migration strategies of transitional forager-farmers. Southwestern Biological Anthropologists Association (SWABA) conference, University of Arizona. Submitted podium presentation.

Byrd, Rachael M.

April 11, 2013 Biological interactions of the first forager-farmers in the Sonoran Desert. American Association for Physical Anthropology (AAPA) 82nd annual meeting. Knoxville, TN. Submitted poster presentation.

Watson, James T. and Rachael M. Byrd

April 13, 2012 Mortuary practices in the Early Agricultural period (2100 B.C.–A.D. 50): Early farming communities in the Sonoran Desert. Society for American Archaeology (SAA) 77th annual meeting. Memphis, TN. Invited symposium podium presentation
